

## I 15-60 PROGrate Pultruded Stair Tread

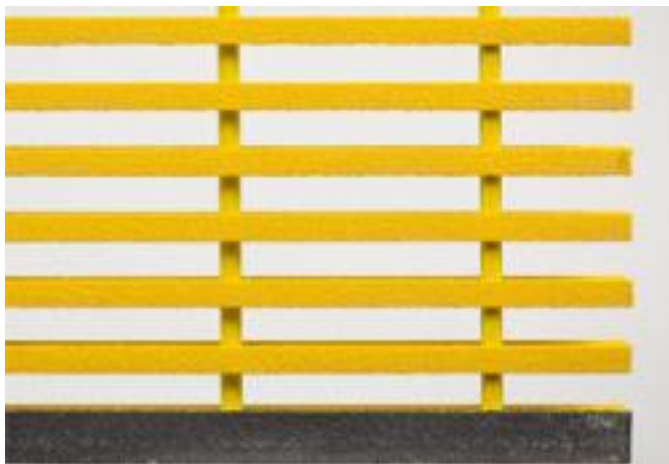

SKU: PIST15-60Y-G12144

Catalog: [Grating](#) [1]

PROGrate pultruded grating supports heavier loads and longer spans than comparable sized molded grating. It's ideal for demanding applications ranging from ADA-compliant walkways to heavy duty traffic. For more information, please visit: <https://bedfordreinforced.com/products/other-grating-products/stair-treads-stair-tread-covers> [2]
